

Dear Edgewater Isle Residents,

Jim Newel has made statements that Master association must sue other associations. Suing other associations is NOT an official position of the Master Board of Directors. Suing other associations is only the opinion of Jim Newel.

Any lawsuits between associations will create huge costs to all residents of Edgewater Isle. The cost of a lawsuit will be reflected by an increase in Master association dues. Please do not vote for people that threaten lawsuits.

We are not writing this letter on behalf of any association. We are writing this letter on behalf of ourselves as homeowners. We pay dues to the HOAs, and we want to keep costs down for all homeowners. We want fairness and mutual benefit for all homeowners.

We want to get projects accomplished within budget. We want the asphalt project done with minimal cost to all homeowners.

Please vote for Joe Totah for Edgewater Isle Master Board of Directors so that we can get the asphalt project accomplished with minimal cost to all homeowners.

Sincerely,

Paul Miller

Greg Collis
