Re: Edgewater Isle Master Association - Interference with Contract

Dear Ms. Posner:

My office is legal counsel to Edgewater Isle Master Association. The Association has received information that you have had personal communications with Mr. M [REDACTED] T [REDACTED] of R&M Construction which Mr. T [REDACTED] viewed as inappropriate and disturbing. On behalf of my client, I request that you refrain from any further communications with Mr. T [REDACTED] or any other employees of the Association or of the Association's vendors.

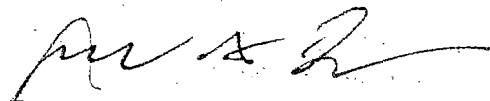

It is necessary that the Association maintain good relations with its contractors and with their employees. This means that any communications which members of the Association wish to make with the contractor or with an employee of the contractor must be channeled through the Board of Directors or management.

Pursuant to Article VII, Section 7.1 of the Restated Declaration of Covenants, Conditions and Restrictions recorded April 11, 2007, you are prohibited from harassing any Association vendors.

Thank you for your anticipated cooperation.

Very truly yours,

Jeffrey A. Barnett
